This disclaimer is provided by Goldman Sachs (all relevant entities), including Goldman Sachs & Co LLC, Goldman Sachs International, Goldman Sachs International Succursale de Paris, Goldman Sachs Bank Europe SE and Goldman Sachs Paris Inc. et Cie, collectively referred to as Goldman Sachs, in relation to the content of this report. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement: if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. This material is not an official Goldman Sachs statement: if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement: if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.

The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. This material is not an official Goldman Sachs statement; if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. This disclaimer is provided by Goldman Sachs (all relevant entities), including Goldman Sachs & Co LLC, Goldman Sachs International, Goldman Sachs International Succursale de Paris, Goldman Sachs Bank Europe SE and Goldman Sachs Paris Inc. et Cie, collectively referred to as Goldman Sachs, in relation to the content of this report. The content of this report is based on contractual settlement. Positions shown in this report may include transactions which had not settled on the due date but which Goldman Sachs had, in its discretion, provisionally credited or debited the Account with on such due date of settlement, as if the transaction had actually settled on that date. Positions may be held at Goldman Sachs or in the sub-custody network of Goldman Sachs International or Goldman Sachs Bank Europe SE (as applicable).

This material is not an official Goldman Sachs statement: if there is any discrepancy between this material and your official statement, the official statement should be relied upon. In addition, this report may include positions in the variation margin collateral account, which are not subject to the protections provided by the customer protection rule (Rule 15c3-3 under the Exchange Act of 1934), the Securities Investor Protection Act and any excess SIPC coverage. Credits or positive balances in the variation margin account reflect collateral that has been transferred to you by GS and not Client Money within the meaning given to that term in the FCA Handbook. The effect of this is that such balance will not be segregated from the money of GS and will be by GS in the course of its business and you will rank as a general creditor of GS.
